### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance:

With regard to claim 1, the prior art does not disclose or render obvious a heat exchanger as claims including a two-dimensional array of heat exchanging core element finstock conduits, each core element conduit providing for a multiple pass flow and including a plurality of finstock legs that are serially fluidically interconnected by turning plenums.

With regard to claim 17, the applicants' arguments that there was insufficient motivation to combine the applied references were found to be convincing.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Teresa J. Walberg whose telephone number is 571-272-4790. The examiner can normally be reached on M-F 9:00 - 5:30.
